

**Marshals  
Bulletin**

No: 19-03  
July 2019

## **Beatson's Mull Rally, 11-13 October – Regulations Ready to Roll !!!!**

The regulations are now published on the website and as a team we are extremely pleased with the interest that's been shown so far.

**REGULATIONS:** <https://mullrally.org/regulations/>

From the feedback we've had from prospective competitors on other events there is significant interest already, so a full entry of 150 for this, the 50th year of the event is expected!!

With the traditional 3 legs covering 3 days and over 140 competitive miles it will be a very 'fast' weekend.

To make it all work we do need help, all of you please, to run the controls, stages, radio, service areas, starts, shakedown, etc.

Please register here to add your details to the team;

**MARSHALS:** <https://form.jotformeu.com/91882785844374>

**RADIOS:** <https://form.jotformeu.com/91882381315359>

To bring the social side of the weekend to life other things are already planned...

- Post event celebrations in Tobermory on Sunday,
- Monday lunchtime hog roast in Dervaig.

Watch out for future bulletins which will have more details.

Thanks in anticipation for your help. Please do register and don't forget to book your ferry and accommodation!!!

Peter and team.
