EventScotland

Mull Rally runs from 11th-13th October 2024. As usual there are road closures to facilitate the event; these are subject to both a Temporary Traffic Restriction Order and Motor Sport Order. The roads are therefore closed to people, animals and vehicles, unless specifically authorised.

We recognise that these closures can inconvenience both residents and visitors. Thank you for your patience and continued support.

We ask that this information is shared as widely as possible. In particular we would ask that this information shared with visitors that you expect to be on the Island during the event, and those that provide or receive care.

We are using the Glengorm road for the first time in recent memory, and running a stage at Ardtun, which has not been used since 2016.

These are the closures, timings are from the first closure to latest opening time:
