Event Overview

October 13th to 16th October

17 Stages

Leg 1 – Friday 14th October

The Tobermory town stages will be as per the 2014 route,

running twice in quick succession past the RallyZone spectator area, with the second run leading into Mishnish Lochs. Calgary Bay and Loch Tuath will be the same as 2014, save some chicane changes. Loch Kinloch and Knock are the same as 2021, with some minor chicane changes.

Leg 2 – Saturday 15th October

Loch Tuath and Achnadrish both run for the first time in daylight in this direction since 2010. Loch Tuath is joined by the Hill Road (as used on Ensay / Hill Road 2014-21) to finish – the whole stage being a reverse of 2015-21 Hill Road / Loch Tuath. Ben More and Scridain are the same as the 2016-21 Saturday night route – again, both last run-in daylight in this direction in 2010.

Leg 3 – Saturday 15th / Sunday 16th October

Loch Tuath / Calgary Bay will use the 2014 route, with the addition of Glen Aros (last run north-south in 2015), to extend the stage to 30.92 miles. Ben More, Scridain and Glen Aros / Achnadrish are the same as 2021, with the finish in Tobermory's Ledaig Car Park.

Update from Assistant Clerk of the Course

MR2022 will be marking the 50th running of this excellent event, started in 1969 by the Molyneux Clan, along with the support of the island. Well done to them all.

To make an event of this size work efficiently, and effectively, it takes a tremendous amount of planning. After 30 years running corporate Projects one of my favourite sayings is – Fail to plan, plan to fail. Well, that is not us, a massive amount of time is being put in by all volunteers to make it a success – thank you to you all.

We have a positive 'we can do it' attitude that will make it a massive success, to follow on what Brian and the team started all those years ago. Any offers of help, leading up to, during or after the event, please feed into us at info@mullrally.org

Hoodies. We have had a massive response to the request for these, we are getting about 700 made! Massive thanks to Beatson's and Carbon Positive for supporting this. The list is now with the manufacturer, so well in hand to be ready on Mull on Thurs/Friday in the Aros Hall. Caledonian Clothing have the list with your requested size, so collection should be easy, but yes there might be a Q!

Goodie Bags. The hoodie is the goodie, bag! The hoodies are taking a massive amount of time and money to organise. Please make sure you have plenty of food and drinks with you.

Mugs, hats, polo shirts, jackets, umbrellas etc with the 50th MR2022 logo on them will be available via:

www.mullrally.caledonianclothing.co.uk

Thanks again for **ALL** your help and support, without it we cannot put on this successful event.

Peter Stanhope, Assistant Clerk of the Course

Passage Controls

We are looking for a team of 5 to manage the Passage Controls. If you have already registered or still to register and are interested, please email me @ marshals@mullrally.org

Thanks to Mull Businesses and Residents

We have great support from the island community for the Rally, but there are a few recurring issues that I would ask for marshal and official support to minimise.

1) Litter and selfish camping: Please challenge poor behaviour and make sure you are not part of the problem! Every programme has a bin bag with it, and this year we have skips at Craignure and Fishnish for the depositing of litter and other waste. You will also see additional signage.

2) Dialogue with residents and farmers. When dealing with local residents and businesses please be courteous and try to assist if you can, if they have an issue. Farmers in particular are greatly inconvenienced by the Rally and get no commercial benefit or compensation. The road closures are not a licence for us to do as we please!

Argyll's "Be A Good Visitor" is a great summary of the attitude we wish to instil.
