# 2021 Mull Rally Leg 3 – Saturday 9<sup>th</sup> Oct

Dear Resident,

## Beatson's Building Supplies Mull Rally – 8<sup>th</sup> - 10<sup>th</sup> October 2021

As we missed being with you last year please take the time to familiarise yourselves with the information below. If you are new to Mull, and haven't experienced the rally weekend before, please make yourselves aware of what happens.

The purpose of this letter is to inform you of our plans for the 2021 Beatson's Building Supplies Mull Rally and give you some advice to be followed during the event. Every year that the rally runs it can only be done with your support and co-operation. We gratefully rely on the residents along the route of the stages for their contribution to the safe running of the event.

Included in this information booklet is both a list and maps giving the route and timings of this year's event. We have kept the route the same as 2019. This means that we will start and finish the Mishnish Lochs stages from Rockfield in Tobermory to allow spectators to watch at the Glengorm crossroads. The last stage of Saturday night will finish in Tobermory with the end of the stage at Rockfield and the finish at the bottom of the hill in Ledaig car park.

This information can also be found on the event website – [www.mullrally.org](http://www.mullrally.org) where you can also find contact details for the senior officials along with other general information. From Thursday 7<sup>th</sup> October and over the weekend of the rally if you have any questions or problems during the preparation and set up the Stage Commander will be pleased to help you and his contact details are given below.
