## Leg 3 - Saturday 15th October 2022

Dear Resident,

**Beatson's Building Supplies Mull Rally – 13th - 16th October 2022**

We are delighted to be back, after our successful return last year, for this the 50<sup>th</sup> running of Mull's annual rally event. Please take the time to familiarise yourselves with the information below. If you are new to Mull, and haven't experienced the rally weekend before, please make yourselves aware of what happens.

The purpose of this letter is to inform you of our plans for the 2022 Beatson's Building Supplies Mull Rally and give you some advice to be followed during the event. Every year that the rally runs it can only be done with your support and co-operation. We gratefully rely on the residents along the route of the stages for their contribution to the safe running of the event.

Included in this information booklet is both a list and maps giving the route and timings of this year's event. The route is a bit different to that of 2015-21, incorporating some features from the 2014 and 2010 routes. This sees the return of the popular Tobermory town stage, as run in 2014/'09/'99, in celebration of the 50<sup>th</sup> running of the event. We will again start and finish the Mishnish Lochs stages from Rockfield in Tobermory, to allow spectators to watch at the Glengorm crossroads. The last stage of Saturday night will finish in Tobermory, with the end of the stage at Rockfield, and the finish at the bottom of the hill in Ledaig.

This information can also be found on the event website – [www.mullrally.org](http://www.mullrally.org) where you can also find contact details for the senior officials along with other general information. From Thursday 13th October and over the weekend of the rally, if you have any questions or problems during the preparation and set up, the Stage Commander will be pleased to help you, and their contact details are given below.
