

9th – 11th October 2026

Island Community Consultation

Welcome to the initial consultation document for the local community, residents, and stakeholders regarding the 2026 Beatson's Building Supplies Mull Rally.

The 2026 Beatson's Building Supplies Mull Rally will be held between **Friday 9th and Sunday 11th October 2026** with closed-road Special Stages* held around the island of Mull. The event will run under *The Motor Sport on Public Roads (Scotland) Regulations 2019*, which permit the closure of public roads for motor sport following consultation and approval by Motorsport UK and Argyll and Bute Council.

This document provides details of the proposed route for the 2026 Beatson's Building Supplies Mull Rally, including information on planned road closures. Our aim is to give all potentially affected residents, businesses, and stakeholders the opportunity to review the proposals and share feedback before plans are finalised. Within this document you will find maps showing which roads are proposed for closure, along with the times each closure would be in place. Roads highlighted in red indicate where access will be restricted. Each closed section is also marked with a stage reference (e.g. SS1) and stage name (e.g. Mishnish Lochs).

The Mull Rally (formerly Tour of Mull) has run as a closed road asphalt rally on an annual basis since 1990. The proposed 2026 route incorporates elements similar to those used in recent editions of the Mull Rally. It is based on the expectation that the B8035 will have reopened, restoring access past the Gribun Rocks section. A contingency route is also being prepared in case the road remains closed prior to October 2026.

Have your say

As the organising team, we are committed to understanding how our proposed plans may impact local residents and businesses. If you have any specific feedback about how the proposed route may affect you, please contact us at consult@mullrally.org by **Monday 5 January 2026**.

Thank you.
Mull Car Club

*Special Stages are the competitive element of a rally. These are held on closed roads with competing cars traversing them individually, against the clock, with the aim of setting the quickest time.

Beatson's Building Supplies Mull Rally
9th - 11th October 2026
Proposed Road Closure Times

| Friday 9th October 2026 | | | |
