Dear Resident or Visitor

**Beatson's Building Supplies Mull Rally 11<sup>th</sup>-13<sup>th</sup> October 2024**

We are delighted to be staging the iconic Mull Rally again this year, a sporting challenge that dates back to 1969! This is a closed road event and may therefore impact your plans or movements. Please take time to familiarise yourselves with the information contained here. If you have not been on Mull during the Rally weekend before, please make yourselves aware of how the Rally works.

The purpose of this leaflet is to explain our plans and give you guidance on how it may impact you. Every year that the Rally runs, it can only be done with your support and co-operation. We rely on the residents along the route of the stages for their contribution to the safe running of the event, and we thank you for that.

The event includes road closures which are the subject of both a Temporary Traffic Restriction Order and a Motor Sport Order, held under the General Regulations of Motorsport UK (incorporating the provisions of the International Sporting Code of the FIA). **The roads are closed to people, animals and vehicles, unless authorised.**

Most of the roads we use are closed every year, but there are two sections that are reintroduced after a number of years:

**Glengorm Road** will be closed between the Industrial Estate and the Castle from 8am to 2pm on Friday 11<sup>th</sup> October.

**Ardtun** stage (Bunessan) will have a closure on Friday 11<sup>th</sup> October from 21:49 – 03:37.

There is no stage in Tobermory this year, and the main access roads (Fionnphort – Craignure – Salen-Tobermory) are never closed.

The roads close at the times listed, and this is backed up by a clearly marked vehicle with red flashing lights. Accesses are closed with tape and this must not be broken. The road reopens with another clearly marked vehicle "ROAD OPEN". The road may open earlier than the published time or, by police exception, later. Ensure you have seen the road open car before using the road.

This and further information can be found on the event website [www.mullrally.org](http://www.mullrally.org) Closer to the event we will provide Stage Commander contact details on the website. Meantime, queries can be directed to [residents@mullrally.org](mailto:residents@mullrally.org)

When the road past your property is closed for the running of the stage, if you have an **emergency** and require assistance from the emergency services, please dial 999 or 112 as normal, but tell the operator the road is subject to closure for a rally. Please then contact Rally Control on the number given below. Rally Control has members of the emergency services present.

If you have no telephone, go ON FOOT to the nearest phone, or to a marshal, who will be at the junction closest to your home. Do not walk on the road. Tell the marshal your problem, they will notify the issue to our control via rally radio network.

The only way the rally can be halted is via rally control, so it is essential this process is used.

**EMERGENCY TELEPHONE: 07594 216246 (ONLY DURING CLOSURE TIMES)**

The organisers respectfully request:

- Do not attempt to drive or cycle on a closed road as you may be putting life in danger
- Ensure that any animals, especially dogs and horses, are kept safely away from the road
- Ensure that any vehicles, machinery or plant belonging to you is kept well clear of the road
- Do not tamper with any signage or tape
- Follow instructions from marshal and officials
- Share this information with your visitors, guests, carers or delivery personnel

Mull Rally is an established event in the Island calendar, and delivers a significant economic boost. We appreciate it is an inconvenience for many for the two days we run the event. We try to manage the rally to minimise the disruption. Again, we thank you for your co-operation and we will endeavour to keep your inconvenience to a minimum. We hope you have the opportunity to enjoy the event.

Spectator information will be published on [www.mullrally.org](http://www.mullrally.org) and programmes will be on sale in many outlets.

**DON'T WALK ON THE STAGE**

**Spectate Safely**  
Your safety - your life  
Don't sit when watching or waiting.  
Respect the tape and signage.  
Keep children and pets under control.
