Dear Resident,

Beatson's Building Supplies Mull Rally – 14th - 16th October 2016

The purpose of this letter is to inform you of our plans for the 2016 Mull Rally and give you some advice to be followed during the event. Every year that the rally runs it can only be done with your support and co-operation. We gratefully rely on the residents along the route of the stages for their contribution to the safe running of the event.

Included in this information booklet is both a list and maps giving the route and timings of this year's event. We have kept the route almost the same as last year. This means that we will start and finish the Mishnish Lochs stages from Rockfield in Tobermory to allow spectators to watch at the Glengorm crossroads. The last stage of Saturday night will finish in Tobermory with the end of the stage at Rockfield and the ceremonial finish at the bottom of the hill in Ledaig car park.

This information can also be found on the event website – www.mullrally.org where you can also find contact details for the senior officials along with other general information. From Thursday 13th October and over the weekend of the rally if you have any questions or problems during the preparation and set up the Stage Commander will be pleased to help you and his contact details are given below.
